

# We come to know my activities in my free time. And my life

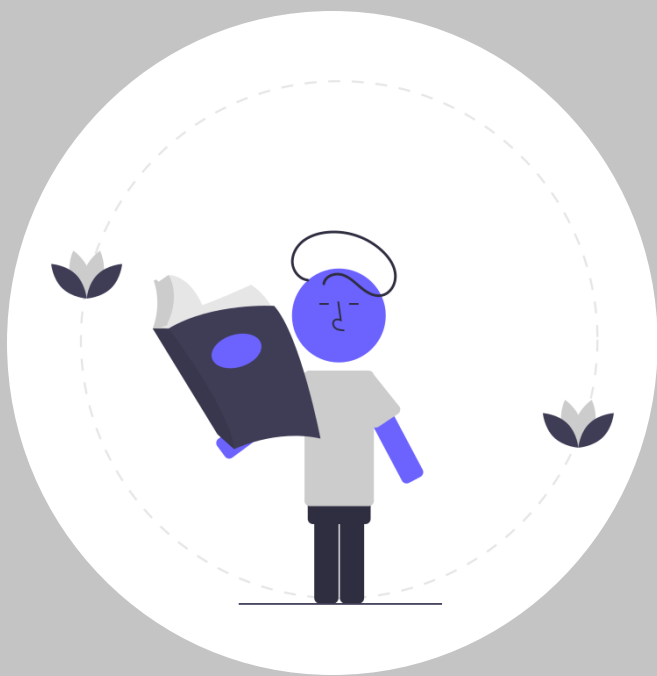

MY CV

Soccer is my favorite sport in the free time and it makes me fresh when I play with my freind and it also makes my healthy strong.

Cooking is the one of my favorite thing that I often do it for my roommate and my family sometimes.

Reading is the best activity that I really love for improve my knowledge and get new thing from books it can help me a lot for studying.

Artwork is my top one for my free time I really love it since I was in grage 5. It is a part my hobby that I usually do it for fun and to relax.
