## Profile

MY name is Vichet Morm. I am 21 years old. I come from Kampong Thom Province. I am a creative person. I like reading books, researching new knowledge. I am a fast learner and helpful with people around me. I like working with the team to find the best solution and to change the experiences. I also prefer to learn from my mistake and improve on my weakness to build my ability to be greater than before.

## Employment History

Not yet, I haven't had experience., Phnom Penh

JANUARY 2021 — NOVEMBER 2021

I just looking for a job because I am a student in the second year of web development. If I can find a job that fits my ability I will try hard and work hard on my work. Although I am in my second year of web development I want to see the real work and I really want to learn from the real work to see what can I do with my ability in the second year of web development.

## Education

Associate's Degree, PNC, Phnom Penh

JANUARY 2021 — NOVEMBER 2022

I am studying at PNC college. They provide me Associate's Degree for two years. This college taught me a lot such as soft skills and hard skills. For soft skills, they taught me how to live in a good

## Internships

front-end, junior developer , Phnom Penh

NOVEMBER 2022 — JANUARY 2023

I want to have an internship in your company to improve my skill and to learn something new from real work. I would be happy if I can do an internship in your company.
